at Frankfort Saturday.

WHAT OF THE PRESENT WEEK?

DR. W. G. HESTER.

Special to The Public Ledger.

FRANKFORT, April 3d.

The Joint Session was merely formal to day by agreement, only one vote being cast on each side.

Mr. Hale voted for Blackburn, Mr. Crumback for Hunter, Mr. Clark for Boyle, Mr. Ellison for Davis and Mr. Rice for Stone.

All of the Administration representatives here are very restless over the situation, which has now reached an acute stage.

There is no doubt that they want Hunter to give some one else a chance.

There are some indications that Mr. Hanna would like to see ex-Congressman George M. Thomas of Vanceburg made the nominee if a new caucus is held.

If you have friends visiting you, or if you are going away on a visit, please drop us a note to that effect.

Mr. W. D. Hixson of this city was in Cincinnati on business last week.

Mr. Thomas Forman has arrived at home from a trip to Washington, D. C.

Miss Ruth Woodwell, who has been spending some days in the Queen City, is expected to return to her home in the county this week.

DIED SUDDENLY.

The Venerable James Smith

Found Dead in His Bath tub

This Morning at 9:30.

AN OLD AND HONORED CITIZEN.

Our citizens were shocked at 9:30 o'clock this morning when it was learned that Mr. James Smith had been found dead in his bath tub a few minutes previously.

Mr. Smith was one of our oldest and best citizens, and his death has cast a gloom over the entire community.

The sad news reached THE LEDGER just as the paper was going to press—to read for an extended notice in this issue.

He leaves seven children—four sons and three daughters—Dr. Thomas H. N., Charles E. and Samuel A. of this city and James H. Smith of Ashland, and Mrs. Thomas F. Rogers of Mt. Sterling, Mrs. John C. Pecor of this city and Mrs. John D. Tash of Chicago.

He was a prominent Oddfellow and had been Treasurer of Plough Encampment for about thirty-five years.

His absent children have been notified by wire, and the funeral arrangements depend upon their arrival.

"Kentucky Wonder" Beans for planting; cheap—George H. Heiser, 117 West Second street.

Dr. W. S. Yazell will go to New York next month to take a post-graduate course in medicine.

The Great Council of the Improved Order of Redmen for Kentucky meets at Ashland May 12th, and it is expected they will by appropriate resolutions set apart August 12th as "Kentucky Redmen's Day" at the Tennessee Centennial, and invite all Redmen in Kentucky to meet there at that time.

The C. and O. will soon commence work on the improvements to be made at South Portsmouth. Among the things to be done are the building of the big A. Branch coal trestle, the adding of a half mile of side track to the yard west of the depot, and the putting in of several cross overs from the main track to the big parallel side track.

This last work will make it possible for several trains to use the siding at once instead of only one at the time as at present.

The Committee is making special effort to secure Mr. E. A. King of Newport for another party talk on Sunday next.

This is the last full week of the contest for new members which closes April 14th, and every member ought to do his level best to bring in new names during the next ten days for the "Blues."

Tonight the "Blues" will meet at 7:30 o'clock to plan for several surprises that will make the "Red Indians," otherwise known as "Cox's Army," look like palefaces. Let everyone who wears the gold "Blue" be on hand at this meeting.

The Social Committee will meet tonight at 7 o'clock, and every member of the Committee is earnestly requested to be present and assist in planning for a special wheelmen's reception, which it is hoped may be given some evening this week.

Monday evening of each week is now devoted to Basket Ball practice in the Y. M. C. A. Gymnasium, and at 8:15 this evening there will be special games between teams made up of the "Reds" and the "Blues." A lively and interesting time is expected.

The arrangements for the Sunday Afternoon Rally as announced in Saturday's paper had to be changed at the last moment, as Rev. Mr. Jones was obliged to leave the city. Rev. F. W. Harrop was invited to fill the gap and did it most acceptably, giving an earnest and practical address on the subject, "Navigating or Drifting," which was more than enjoyed by all present. Miss Lida Berry presented at the piano, and Mr. T. Red Chund favored the audience with a vocal solo pleasingly rendered.

Very few Oddfellows were present at the burial of the late J. L. Browning Saturday, by reason of the fact that the funeral procession from Shannon passed through the city nearly an hour earlier than the time announced.

Dr. H. M. Marsh has reconsidered his determination to remain in Danville and will leave for Colorado Springs within the next fifteen days, as his health depends upon his removal to another climate. Mrs. Marsh will not go until the first of June.

## More Talk

### About Time.

Some people are peculiar in the matter of buying a Watch. A silver Watch is good enough for one man so long as it keeps good time. Another one wants something a little more showy—a gold one,—but it, too, must keep good time. Some want a high-priced Watch, others a cheaper one, but after all everybody wants a correct timepiece. We selected our stock with time in view, and can sell you a high, low or medium-priced Watch—and any of them will keep time—the essential point.

We repair Watches so that we can guarantee them to keep time. Charges low.

DEMOCRATIC CONVENTION.

The Mason Machinists Resolute Saturday For Messrs. Harbeson and Sallee.

Chairman and Colonel L. C. Blatterman Secretary.

A committee was appointed to select Delegates to represent Mason county at the Vanceburg show; and the aforesaid committee didn't do a thing but hand in a list of 300 names, each an individual owner of which is authorized to paint Vanceburg red in the name of Harbeson and Harmony and Sallee and Silver.

"Ringing resolutions"—all resolutions offered by the Mason county Democrats have a "ring" in their composition—were adopted instructing the 300 Delegates to vote early and often for Judge Harbeson's renomination for Circuit Judge, and for James H. Sallee's renomination for Commonwealth's Attorney.

As no other candidates offered, and as there was no other business to come before the Convention, it adjourned in peace and harmony.

Lewis county also instructed for Harbeson and Sallee.

Greenup county instructed for Judge Harbeson, but left the Commonwealth's Attorneyship open. It is said that Mr. William T. Cole, formerly of this city but now of Greenup, may become a candidate for that place.

It is claimed, however, that Harbeson and Sallee will be renominated on the first ballot.

Americans are the most inventive people on earth. To them have been issued nearly 900,000 patents, or more than one-third of all the patents issued in the world. No discovery of modern years has been of greater benefit to mankind than Chamberlain's Colic, Cholera and Diarrhoea Remedy, or has done more to relieve pain and suffering. J. W. Vaughn, of Oakes, Ky., says: "I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy in my family for several years, and find it to be the best medicine I ever used for cramps in the stomach and bowels. For sale by J. James Wood, Druggist."

The Washington end of the Louisville Times says Captain J. C. Bryant of Ashland is losing no time in his fight for the office of United States Marshal. He says he has assurances that the matter will be taken up in a few days by the President. Captain Bryant has the support of Davidson and Pugh, and it is thought Judge Peland is also saying a word for him.

It's no longer "Colonel" M. C. Russell; it's the much prouder title of Grand Chief, if you please. And Mr. J. Barbour Russell is stepping unadvisedly high himself, because he thinks the firm name will some day be changed to M. C. Russell & Son & Son. It is thought that with careful nursing Barbour may pull through, though his hat has been several sizes out of whack since Saturday noon.

The reader of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J.
